

OVERDRIVE GUIDE FOR THE KINDLE & KINDLE APP USERS

1. Create an account at www.amazon.com or Log In if you already have one.
2. Register your Kindle (or electronic device if using a Kindle App for iPhone, iPad, etc.).

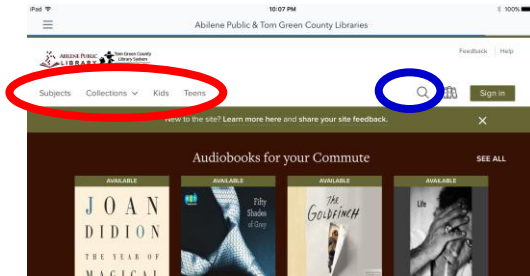

STEP 1: Go to the library's website at www.abilenetx.com/apl and click on the **OverDrive** logo.

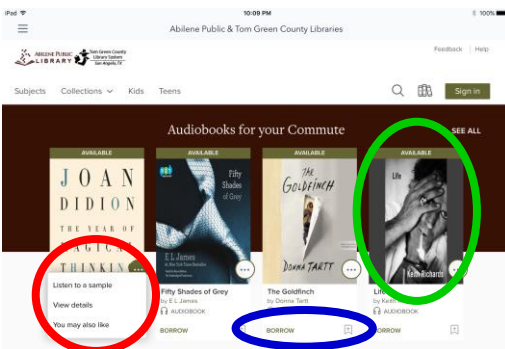

STEP 2: Click on the **Sign In** option to select your library and enter your 13-digit library card number.

If you choose not to Sign In now, you will be prompted to do so once you select an item to borrow.

STEP 3A: Browse OverDrive titles by subject, collections, kids & teens materials, or scroll through suggested titles on the main screen.

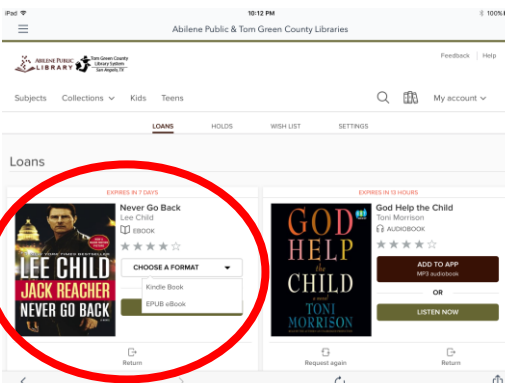

STEP 3B: Use the **Search** feature to look up a title, author, or subject.

STEP 4A: Choose the three dots on the lower left-hand corner of the cover art to view more details about the item.

STEP 4B: Click the **Borrow** link below the cover art to checkout the title. If not currently available, it will read **Place A Hold**. If you place a hold, you have 72 hours to checkout the title once notified (located under the **My Account** feature in the **Holds** selection). You may also adjust your settings to have your holds automatically checkout when available.

STEP 4C: Click on the cover art to view the full record including the option to borrow or place a hold, a description, samples, etc.

STEP 5: Once you've borrowed a title, it will be listed on your bookshelf. To get there, select the **My Account** selection and choose the option for **Loans**. To download it to your device to read, click on **Choose A Format** and choose **Kindle Book**.

- Digital library books require an active Wi-Fi connection for wireless delivery to a Kindle device. Library books will not be delivered via your Kindle's 3G connection.
- Kindle automatically backs up all of your notes and highlights. If you choose to purchase the book at a later date from the Kindle Store or check

STEP 8: You'll be provided with a confirmation message. To access your eBook, turn on your device, connect to Wi-Fi, and the device should automatically sync with Amazon and download the item to your bookshelf.

What Happens if It Does Not Appear?

Verify you're connected to Wi-Fi. If not, access your **Menu** and connect manually. After doing so, you may then select the option to **Sync** your device with Amazon so the title will transfer to your bookshelf.
